JURY REPORT

The Jury of INDONESIA 2022 World Stamp Championship Exhibition has completed all its judging and were very pleased with the high standard of exhibiting at this show.

Totally just over 392 exhibits in around 2104 frames plus 85 literature exhibits were judged resulting in 25 Large Gold medals and 83 Gold medals being awarded. The judging was carried out in a professional and friendly manner by teams of experts.

Several exhibits were transferred to a different exhibit class to ensure they achieved the highest award. The Jury was pleased that many first time one frame and novice exhibitors joined with the ranks of the experienced exhibitors to show their exhibits.

The Jury would like to thank the INDONESIA 2022 Organising Committee and National Commissioners for their efficiency and hard work. We were pleased to see the FIP Grand Prix Club exhibits all available for the public to view and enjoy.

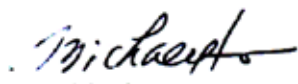

Finally, we wish to thank the many helpers and volunteers for their hospitality, friendliness and for providing the facilities and support enabling us to finish our work on schedule in the time allotted.

INDONESIA 2022 EXPERT GROUP REPORT

The Expert Group of INDONESIA 2022 made a specific review of exhibits which had been queried at previous FIP exhibitions (including FEPA/FIAF/FIAP) where certificates were requested. Out of 40 items identified, 10 had certificate(s) provided; 7 items were not exhibited and 22 were exhibited, re-examined and no further actions were required. 1 exhibit contained a cover that was not to be exhibited without a certificate, and no certificate was provided. The result of the exhibit was downgraded one medal level.

Members of the Group also inspected as many exhibits as possible in each competitive class. Dubious items reported by judging teams were checked.

As a result, a total of 28 new items were removed from the frames for closer examination and the recommendations of the Expert Group were as follows:

No action required	5 items
Has to be certified	18 items
Do not exhibit again	0 item
Improve description	5 items
Total	28 items

The reports of the items examined together with illustrations in duplicate were handed over personally to the National Commissioners concerned for onward transmission to respective exhibitors and National Federations. This would ensure that the decision had been properly conveyed. Copies of the same documents in colour were retained for FIP records.

The Expert Group, consisting of Dila Eaton, John Hotchner, Ari Muhonen and Sansern Nilrat would like to thank the judging teams and the National Commissioners for their co-operation as well as the Organizing Committee for the excellent facilities for the smooth working of our group.
