## 評審委員報告 Jury Report

### JURY REPORT

The Jury of TAIPEI 2023 (39<sup>th</sup> Asian International Stamp Exhibition) has completed all its judging and were very pleased with the high standard of exhibiting at this show.

Totally just over 202 exhibits in around 1010 frames plus 41 literature exhibits were judged resulting in 6 Large Gold medals and 36 Gold medals being awarded. The judging was carried out in a professional and friendly manner by teams of experts.

Several exhibits were transferred to a different exhibit class to ensure they achieved the highest award. The Jury was pleased that many first time one frame and novice exhibitors joined with the ranks of the experienced exhibitors to show their exhibits.

The Jury would like to thank the TAIPEI 2023 Organising Committee and National Commissioners for their efficiency and hard work. We were pleased to see the Court of Honour and FIAP Grand Prix Club exhibits all available for the public to view and enjoy.

Finally, we wish to thank the many helpers and volunteers for their hospitality, friendliness and for providing the facilities and support enabling us to finish our work on schedule in the time allotted.

## 專家小組報告 Expert Group Report

### REPORT OF THE EXPERT GROUP

The Expert Group of TAIPEI 2023 made a specific review of exhibits which had been queried at previous FIAP exhibitions (including FIP/FEPA/FAF) where certificates were requested. Out of 40 items identified, 8 had a certificate provided, 31 items were not exhibited and only 1 item shown without certificate, for this item the Expert Group decided to punish the exhibitor by deduction of 2 points which downgraded the exhibitor from his awarded medal of 86 points (Large Vermeil) to 84 points (Vermeil) and not to show this item again until he gets the certificate for it.

Members of the Group also inspected as many exhibits as possible in each competitive class. Dubious items reported by judging teams were checked.

As a result, a total of 13 new items were removed from the frames for closer examination and the recommendations of the Expert Group were as follow:

No action required	0 items
Has to be certified	13 items
Do not exhibit again	0 items
<b>Total</b>	<b>13 items</b>

The reports of the items examined together with illustrations in duplicate were handed over personally to the National Commissioners concerned for onward transmission to respective exhibitors and National Federations. This would ensure that the decision had been properly conveyed. Copies of the same documents in colour were retained for FIAP records.

The Expert Group, consisting of Messrs Prakob Chirakiti, Jeff Long and Huang Chen-Huei, would like to thank the judging teams and the National Commissioners for their co-operation as well as the Organizing Committee for the excellent facilities for the smooth working of our group.
