### The DeBra2024 in Haldensleben. An exhibition not to be missed !

The registration deadline for DeBra2024 ended on February 29, 2024. The goal was to fill the 600 existing frames with exhibits. As the new frames with 16 sheets per frame will be used, all applicants could be considered. We are of course very pleased about the great interest in the DeBra2024 exhibition.

The applicants were informed promptly. They will be published shortly on the exhibition homepage.
