Boston 2026 Receives FEPA Recognition

The Federation of European Philatelic Associations (FEPA) has granted Recognition status to the Boston 2026 World Expo.

FEPA is the continental European organization that supports 45 members (national philatelic federations, associations and unions) in promoting philately. Its activities are principally focused on sharing information, promoting innovation and cooperation, supporting exhibitions and rewarding achievements.

FEPA recognition is normally restricted to exhibitions on European territory. In granting its recognition to Boston 2026 World Expo, however, the FEPA Board is aware of the global importance of this exhibition and wishes to help the Organizing Committee to promote the show in Europe.

Recognition by FEPA grants Boston 2026 three privileges:

- Marketing and promotion of the exhibition through its channels (magazine, website, newsletters, etc.)
- Technical expertise as requested
- Use of its logo and flag

FEPA information can be found on its web site at fepanews.com.

Boston 2026 World Expo takes place May 23-30, 2026, at the Boston Convention & Exhibition Center. Full show details may be found at Boston2026.org and on [Twitter](#) and [Facebook](#). Sign up to be added to the Boston 2026 email list and receive updates when available.
