--	---	---

From the 10th to the 12th in September 2027 Denmark is pleased to host the Nordia 2027 Stamp and Picture Postcard exhibition and in this way maintain the old Nordic exhibition tradition.

As a young club it is an honour for Midtjysk Frimærke Klub in cooperation with Danish Philatelic Federation to organise Nordia 2027 and we are looking forward to meet philatelic friends and visitors from near and far at the exhibition.

Nordia 2027 has got FEPA recognition.

Although Herning is a young city, Hammerum Herred was mentioned more than 800 years ago and the area around Hammerum has been inhabited since the Iron age.

Hall'n in Hammerum which is a sports hall has been chosen because Herning Commune is a sport and culture area. Stamps and stamp exhibiting is a mixture of art and sport. In connection to the Nordia 2027 exhibition there will also be an opportunity to view art from the CHPEA art museum.

AllCHPEA Museum

All accepted exhibits will receive one a free ticket to the museum.
Every month from now Nordia 2027 will show examples of the connection between stamps and art in FDEPA Newsmail.
