

7th International Polar Salon

PRAGA 2028

22–26 MARCH 2028

Industrial Palace • Prague Exhibition Grounds • Czech Republic

Discover the postal history of the ends of the Earth

Step into the extraordinary world of Arctic and Antarctic exploration. The Polar Salon brings together rare expedition mail, historic letters and fascinating philatelic material that tells the stories of explorers, scientists, ships and polar stations.

WHAT AWAITS YOU

- Exceptional polar exhibits from Europe, the USA, Australia and other parts of the world
- Rare material from the earliest expeditions to modern polar research
- Arctic and Antarctic postal history, aerophilately, military mail and thematic collections
- Remarkable stories of courage, discovery and survival preserved in original documents

A unique opportunity to see outstanding polar treasures gathered in one place.
