Tell me about philatelic exhibitions in Greece this year
8:16 AM
The headline philatelic event in Greece **this year** was the groundbreaking **"101" National Philatelic Exhibition**, which took place from **June 2 to June 7, 2026.** FEPA News +1
Organized by the Hellenic Philatelic Society to celebrate its **101st anniversary**, this event was a unique **hybrid exhibition**—a first of its kind for Greece. FEPA News
The "101" Exhibition Format & Highlights
The event used a clever structural theme where the number **101** dictated the setup. FEPA News
- **Physical Showcase:** Held at the **Arts Centre** in **Athens** (Vasilissis Sofias Avenue, Parko Eleftherias), the physical venue displayed exactly **101 philatelic exhibits across 101 single frames**. Each exhibitor selected 16 pages to tell a tight, compelling story to visitors. Hellenic Philatelic Soci... +1

In Spain?

8:18 AM

In Spain, the philatelic calendar is anchored by two major national events organized by the Federación Española de Sociedades Filatélicas (FESOFI):

🏛 EXFILNA 2026 (Mérida)

The crown jewel of Spanish philately, **EXFILNA 2026** (the 64th National Philatelic Exhibition and Spanish Championship), just concluded its run from **September 23 to September 27, 2026**. Federacion Española d... +1

- **The Venue:** It transformed the historic city of **Mérida** into Spain's stamp capital, taking over the Palacio de Congresos de Mérida.
- **Special Guest:** This edition featured a special international partnership with the **Argentine Philatelic Federation (FAEF)**, which flew in guest judges and commissioners to evaluate competitive exhibits. FEPA News +2

Summit of Philatelic Academies in Boston

The first-ever **Philatelic Academies Summit** took place on **May 28, 2026** at the Thomas M. Menino Convention & Exhibition Center (Boston Convention & Exhibition Center) in **Boston, Massachusetts**. Organized by Yamil Kouri and supported by the Boston 2026 organizing committee, this historic event was held during the once-in-a-decade Boston 2026 World Stamp Expo.

The summit marked the very first time that the world's leading philatelic academic institutions gathered in a shared forum to foster institutional dialogue, advance specialized research, and coordinate the preservation of documentary philatelic resources. FEPA News

Participating Nations & Academies

Academic representatives from across the globe presented their current projects, research priorities, and organizational structures, including delegations from: FEPA News
