PHILATAIPEI 2026 JURY REPORT

The Jury of PHILATAIPEI 2026, FIP Patronage Specialised World Stamp Championship Exhibition have completed judging and we are pleased to present their report.

The Jury judged a total of **327** exhibits and we have found that the quality of the exhibits shown here is very high. We have awarded **30** Large Gold medals and **91** Gold medals. We are also pleased to see many exhibits that have made improvements since they were shown in previous stamp exhibitions.

9 exhibits were transferred to a different class to ensure they achieved better awards. Unfortunately, 17 exhibits (including literature) did not arrive and hence could not be judged and 2 exhibits were out of competition.

The Jury would like to thank the PHILATAIPEI 2026 Organising Committee, the FIP consultant and the National Commissioners for their efficiency and hard work. We are grateful for the Invited Exhibits that have been specially displayed had created enormous interest amongst the philatelists.

Finally, we wish to thank all the PHILATAIPEI 2026 volunteers for their hospitality and friendship and the facilities and support provided by the Organizing Committee.

On behalf of the PHILATAIPEI 2026 Jury.

專家小組報告 Expert Group Report

PHILATAIPEI 2026 EXPERT GROUP REPORT

The Expert Group of PHILATAIPEI 2026 inspected as many exhibits as possible in all the competitive classes. Dubious items reported by judging teams were checked.

As a result, a total of 29 items were removed from the frames for closer examination and the recommendations of the Expert Group are as follow:

No action required	2 items
Has to be certified	27 items
Do not exhibit again	0 item
Improve description	0 item

The reports of the items examined together with illustrations in duplicate were handed over to the National Commissioners concerned for onward transmission to their respective exhibitors and National Federations. This would ensure that the decision had been properly conveyed. Copies of the same documents in colour will be retained for FIP records.

The Expert Group, consisting of Michael Ho, Sam Chiu, Jenwit Apichainunt and Jukka Makinen would like to thank the judging teams and the National Commissioners for their co-operation as well as the Organizing Committee for the excellent facilities provided for the smooth working of our group.
